

# Gabrielle Sanborn Youth Memorial Cutting

“Horses change lives.  
They give our young people confidence and self-esteem.  
They provide peace and tranquility to troubled souls,  
they give us hope.”

The Annual Gabrielle Sanborn Youth Scholarship Cutting is taking place at the ICHA Spring Weekend Show. This Youth Scholarship Cutting is offered both days of the Weekend Show, and entering is easy. Prizes and scholarships will be awarded for both Jr. & Sr. Youth, based on points, but you must be entered both days.

Gabbe found the magic in horses, a love she shared with her grandmother. Horses mirror the inner you, and teach you things about yourself that you would not learn otherwise. The trust they show you is exactly how much trust you have given them and often how much trust you have in yourself. They read your inner thoughts and know when you are scared, sad, excited, and nervous and will react accordingly. For many of us the spirit of the horse and what they offer to our inner soul's is a mystery. It is an unexpected gift that gives us peace that we didn't even know we were in need of. What we do with this gift once we find it is pertinent to everything that comes after.

This March we choose to honor Gabbe and the spirit of the horse that gifted her with peace and left her family with gentle memories that will linger in their hearts for a lifetime. Join us in this celebration during the ICHA Weekend Show.
