

Idaho Cutting Horse Association, Inc.
1362 East 4175 North
Buhl, ID 83316

On Behalf of the Idaho Cutting Horse Association, we would like to invite you to be a Vendor/Exhibitor at our Spring Cutting Horse show at the Ford Idaho Horse Park in Nampa, Idaho on March 20 through March 24, 2019.

The Idaho Cutting Horse Association (ICHA) is a growing and innovative association. Since its inception in 1972, the ICHA's mission has been to promote and provide both weekend shows and aged events that will enhance the Cutting Horse interests, activities and industry. The ICHA strives to benefit breeders, trainers, owners and participants in the sport of cutting. The ICHA is distinguished by its fiscal strength, an active and responsive Board of Directors, the excellent quality of our shows, commitment to comprehensive future planning process, and an on-going dedication to serve and encourage its cutters at all levels of participation. Please visit our web pages <http://www.idahocha.com> to learn about our shows, youth scholarship programs, sponsorship opportunities and the ICHA Futurity & Aged Events. We invite you to join us in Idaho to enjoy the sport of cutting.

We are also an affiliate of the National Cutting Horse Association with thousands of members from around the globe. "It is NCHA's mission to promote western heritage and the ranching way of life . . ." We are also affiliated with the Northwest Cutting Series challenge which involves members throughout the Northwest states.

I have attached a Vendor exhibit space contract for your consideration to join us with an inside booth or outside area to display your products. We also ask that you consider sponsoring ICHA to further advertise and promote your company with our group with the attached forms.

I will accommodate vendor space upon receipt and payment, so please return the signed contract and payment at your earliest convenience.

If you have any questions or need further information, please feel free to contact:
